# LEVELED TECHNIQUE PROGRAM: AGES 7 AND UP

Our **Leveled Technique** program builds on the dancers' ballet technique and introduces jazz and lyrical technique. Classwork incorporates barre and center work, turns, and traveling combinations. Each level increases in difficulty and dancers must demonstrate proficiency in each level before being recommended to the next level. Student must be enrolled in a ballet class to take lyrical and jazz. **Tap Jamz** levels can often depend on tap experience. Please contact us for placement! # MULTI-AGE CLASSES: AGES 3 AND UP

Multi-age classes are a great addition to a dancer's schedule! Our popular **Hip Hop** classes are for beginner to advanced students. No formal dance training is necessary! Students are placed based on age and/or experience and mastery of the previous level. **Acrobatic Arts** is a progression-based syllabus program for teaching AcroDance. Thoughtful progressions and structured levels assist teachers to properly train their dancers' bodies to advance to the next level only when they are ready for it. **Musical Theater** classes offer intense work in staging, audition preparation, costuming, and make-up, while strengthening and enhancing each student's skills in acting, vocal, and movement. Musical Theater Jazz is the perfect class for Musical Theater students who would like to incorporate jazz technique into their theater repertoire. Performance opportunities include stage performances and seasonal performances with Expressions' dancers.
